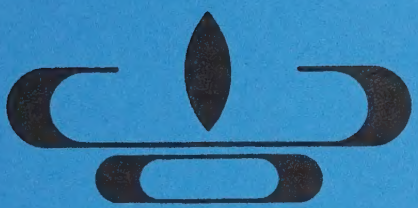
MUSIC CATALOGUE

SECTION II: ORCHESTRAL MUSIC



COMMUNITY PROGRAMS DIVISION

Ontario Department of Education

The notations, " s; #; sS; S ", at the side of each selection, denote the size of the orchestration.

s - means a SMALL ORCHESTRATION, which consists of:

piano	1st violin	2nd violin	viola
cello	bass	flute	clarinet
1st & 2nd cornet	trombone	drums and tympani	

\# - means a FULL ORCHESTRATION, which consists of:

piano	2 1st violins	2nd violin	viola
cello	bass	flute	oboe
bassoon	1st & 2nd clarinets	horns in F	trombone
1st & 2nd cornet	drums	tympani	

sS - means that there are enough parts to service a group of over 30 pieces, with extra string-parts added to the FULL orchestration.

S - means that an orchestra of over 50 pieces couls use this arrangement.

A separate listing of the last two notations will be found on pages 51 to 55.

The notation "BMI" to be found in the right hand column of some of the selections means that the arrangers of the Broadcast Music Incorporated have made popular arrangements of the classics.

----------000----------

Music should be requested through your Municipal Recreation Committee or

The Community Programmes Branch Representative for your district, see list on page iii.

In all cases the Community Programmes Branch pink form (CP 10) should be used.

Supplies of these forms may be obtained through either of the above offices.

When returning music use the gummed ADDRESSED LABEL enclosed with your order.

INTRODUCTION TO THE MUSIC LOAN SERVICE

Music is a traditional part of our culture and will always occupy a special place among the leisure-time activities of our people, both children and adults.

When a community plans for recreation, music cannot be overlooked. Here is a creative activity that gives keen satisfaction to the performers. At the same time music can bring a pleasurable thrill of appreciation to the audience.

What recreational activity could be more appropriate in a community meeting?

The Community Programmes Branch of the Ontario Department of Education maintains the Music Loan Service to assist local groups. This catalogue lists music that is available through the service.

We hope that the Loan Service will be useful in developing music for recreation in your community.

---------- oOo ----------

CONDITIONS OF LOAN

Please read carefully.

SIX selections may be borrowed for THREE months. They are delivered free of charge, but are to be returned prepaid by the borrowing group. Music borrowed from the Loan Service of Community Programmes should be returned promptly.

The borrower also agrees not to transfer music from one group to another and it is understood that the material will be well cared for and any lost or damaged copies will be replaced by the borrower.
